Letter No. 249.....

Date. 30/03/22

Warning Against In-Appropriate Behaviour

In lieu to the incident that happened on 28/03/2022, which is highly unacceptable I want to make it very clear that in order to be a part of this prestigious institute everybody has to follow the following norms as we don't teach criminals and rowdies:

1) Whatever the reason be try and maintain the peace and decorum of the institute. Disciplinary enquiry is going on for the incident happened on 28/03/2022.

2) **Instead of creating nuisance in the campus, focus on your career as this is the placement time and I don't want the deserving students to suffer because of few lunatic bunch.**

3) This campus is provided to focus on your professional life not personal so better be very careful.

4) Last but not least, if any such incident takes place in the near future then those who are involved will be straight away restituted without a second chance.

This is a temple of learning where teachers and student come together for a better tomorrow and I am not going to tolerate any criminal acts here which somehow impacts the learning process.
